

THE 18<sup>TH</sup> ANNUAL  
HERO  
AWARDS

TO BENEFIT  
THE ARIZONA PET PROJECT

## Sponsorship Opportunities

### 2021 Annual Sponsorship Opportunities

Your sponsorship saves pets and supports families.

With the changes 2020 and 2021 have delivered, we are doing things a little differently this year. Instead of offering sponsorships at just one of our signature events, we are offering annual sponsorships that will provide your company visibility at all of The Arizona Pet Project's events held this year! These changes are designed to keep everyone safe while delivering not one but five great opportunities to highlight our sponsors.

This year's annual sponsorship benefits will include the following events:

- 2021 Desert Duck Derby, a virtual and in-person event taking place on May 15. In its first year, the event reached over 100,000 viewers through a combination of social media and traditional media outlets.
- 2021 VIP and Sponsor Dinner, an intimate and exclusive celebration of this year's Hero Award winners, taking place on October 22 at the picturesque Ocotillo.
- Two additional events are being planned for the Summer and Winter season, and more information will follow.

What has *not* changed this year is the tremendous impact your support has on our community and, in particular, our most vulnerable families with pets, like survivors of domestic violence, the unsheltered, and the elderly. Thanks to you, The Arizona Pet Project will be there in times of crisis, ensuring that nobody has to make the impossible decision between accessing shelter or care and keeping their beloved pets.

Your commitment will also ensure healthier and safer communities through mobile spay, neuter, and vaccine clinics. The Arizona Pet Project's Wellness Clinics bring resources to high-need neighborhoods that love their pets but lack access to veterinary resources. Ensuring pets are fixed and vaccinated reduces the number of homeless pets, decreases roaming strays, and increases life quality.

This year, we're excited to announce that your sponsorship will help The Arizona Pet Project open its very own Pet Support Center in South Phoenix, focused on low-income pet owners who often don't know where to turn when they need help. Our brand-new center is the Valley of the Sun's first of its kind, and it's all possible because of you!

Thanks to supporters like you, The Arizona Pet Project has been able to provide services to families in need and their pets —over 145,000 of them since 2005, making *you* a life-saving hero!

## Sponsorship Opportunities

### 2021 Annual Sponsorship Opportunities

#### 2021 Annual Sponsorship Benefits

		Presenting	Top Dog	Tail Wagger	Pack Leader	Pet Partner
	Investment	\$50,000	\$20,000	\$10,000	\$7,500	\$5,000
